ROAD TO 3 Star Pro

ACHIEVING 3 Star Pro

THE FASTEST ROUTE TO 50 CYCLES- Develop 3 Stars on your Team

Build up cycle depth in your organization by focusing on personal recruiting and helping your team rank advance, creating 3 stars or better on your L & R teams where the volume is needed to cycle each week.

What is a cycle?

1 cycle is rewarded when you have an accumulation of 300 CV on either Left or Right teams and 600 CV on the opposite team, either Left/Right teams, totaling 900 CV between both Left and Right Teams = 1 Cycle. 1 Cycle = 900 CV Total.

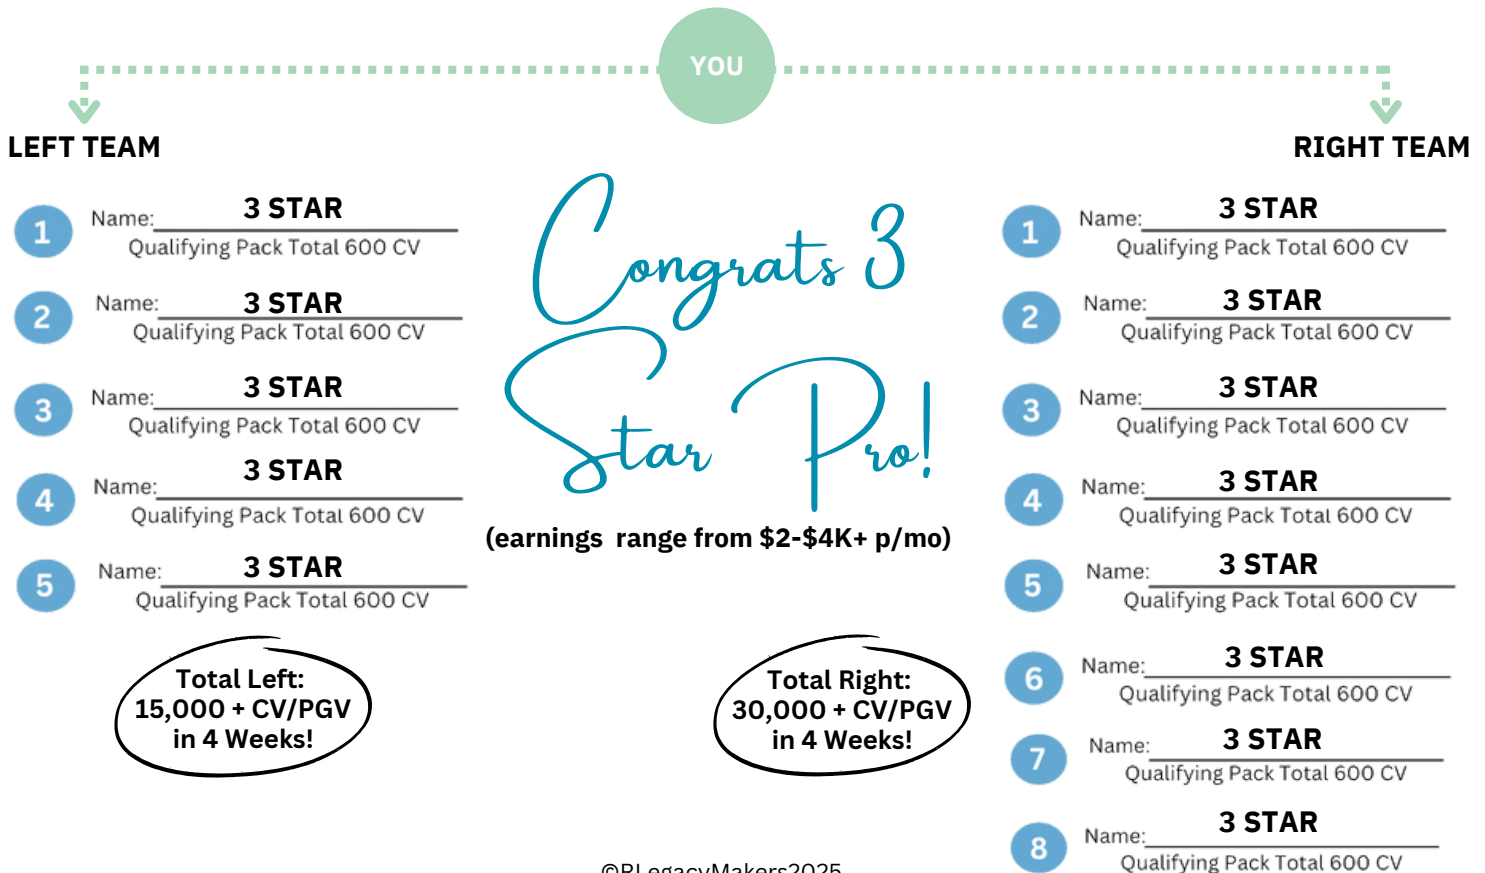

(Calculate what is needed by using your "Rank Information" Dial in your Back Office.)

1 Cycle = a \$35 commission per cycle.

Happy 10 - 1 Cycle = a \$45 commission per cycle. (Personally Sponsor a combo of 10 BA's and Customers in a 4 week period)

In Three's Binary compensation plan, you can earn up to 500 cycles (\$17,500) per week without a Happy 10. With a Happy 10 (when you have a total of 10 or more customers and or brand ambassadors in a 4 week rolling period) you can earn up to 600 cycles (\$27,000) per week.
