EDIT FIRST PART

Meet GLP THREE™ ✨ powered by THREE's newest breakthrough: Metabolic Boost Complex-267 (MBC-267), a patented, all-natural peptide created to lead the GLP-1 movement in a completely new way.

I'm hearing of weight loss stories from 2-14 pounds in one week and amazing results related to using it as a peptide therapy and improved metabolism.

This isn't following a trend...it's redefining it.

Backed by innovation and built with intention, GLP THREE™ represents THREE's answer to the GLP-1 wave, natural, science-driven, and designed for real life.

 MBC- 267 helps with:

-  Quieting food noise and cravings
-  Drop the pounds
-  Retaining lean muscle mass
-  Improve bone density

 How you take it:

- Under the tongue
- No injections
- No prescription

 Who it's for:

- Ages 12+

 Credibility check:

- Third party tested and listed in the PDR (Physicians Digital Reference)

 Options:

- Wholesale pricing available for \$30 annually for a year.

Welcome to Three/GLP-THREE!

I'm so excited for you to get your GLP-THREE and start experiencing the benefits. The stories are coming in hot—people are reporting 2–14 pounds lost in the first week with no negative side effects so far. Truly revolutionary.

Please let me know when yours comes in! It's also a great idea to take before photos and a starting scale photo so you can track your progress.

**Make sure to set up your SmartShip in your back office
You'll find under orders.**

The 3 pack is best deal. This will insure you get your product on time each month! You will NOT want to be without.

A couple things I'll share below:

1. Your self-replicated website – This is what you can share with friends and family. I'm finding most people who join have friends who want to try the product too.

I'll also include a link to download the THREE App, which has great product and company information.

2. My WhatsApp community group link is below– If you'd like, I'll add you so you can stay in the loop with team communication, updates, and training.
